Scholarship Opportunity:

Purpose of Scholarship

AES Engineering is pleased to be able to continue offering scholarships to motivated students to help in the furthering of their education.

Scholarship Criteria

Our belief is that achieving a high grade point average should not be the only criteria for determining who deserves to be helped. For that reason, we are offering a scholarship that will be awarded on the basis of character, as determined by an evaluation of the essays that are submitted.

Scholarships are intended for our future leaders across a wide spectrum of fields of study. This award is available to high school seniors and all students attending a post-secondary educational facility.

You are not required to be taking Engineering courses to be eligible.

How to Apply

Students must submit an essay of between 500 and 1000 words in answer to the following question:

When you look back on your life in 30 years, what would it take for you to consider your life successful? What relationships or accomplishments will be important on this journey?

Amount of award: \$500.00 Deadline for entry: October 6, 2018

Submit essay to *scholarships@aesengineers.com*

There is no application packet for this award. Please do not include your resume at this time.

Be sure to include your full name as well as the name of the school you are attending this year and your plans for next year.

PA Association of Educational Office Professionals (PAEOP) Hermine Solt Student Scholarship:

- \$500 Scholarship for a Pennsylvania High School Senior who is pursuing higher education in a business-related field
- Details, criteria, guidelines, and scholarship application can be found at PAEOP's website: www.paeop.com under Award and Scholarships

Pennsylvania Schools Public Relations Association

The Pennsylvania School Public Relations Association wants to encourage and promote the field of public relations to public high school students through an educational scholarship for those interested in studying the field or related subjects (i.e. journalism, English, public relations, advertising, graphic arts, etc.). The candidate should have maintained a 3.0 GPA, and have been accepted to or applied at a two or four-year college, vocational-technical school, or other institution of higher learning.

The award consists of three one-year scholarships worth \$1000 each. Scholarships will be awarded to one public school student from each of PenSPRA's three regions (Eastern, Central and Western). We invite all interested candidates to complete and submit an application.

Completed applications for the Class of 2018 must be postmarked by Friday, March 9, 2018. Incomplete applications will not be considered.
